The Heritage of Tomorrow

Saddlewood Park finds its home at the heart of Nad Al Sheba 1 in Dubai. Framed by the world-renowned Meydan Racecourse, this address is both a nod to noble tradition and a symbol of forward-thinking vision. Just moments from Downtown Dubai, yet worlds apart in exclusivity.

Dubai

The Equestrian *Legacy*

In the heart of Dubai, Nad Al Sheba carries a quiet, enduring story. Here, the bond between land, rider, and horse runs deep. From royal stables to championship arenas, equestrian tradition defines its soul. Horsemanship lives on as a proud, living art.

Meydan, An *Address of Influence*

Rooted in this equestrian legacy, Meydan Racecourse emerged as a new symbol of prestige. Shaped by royal vision, it turned Nad Al Sheba into a global destination. Home to the Dubai World Cup, its racecourse celebrates the region's equestrian pride with elegance and power.

Nad Al Sheba, *Poised for Growth*

Steps from Meydan Racecourse and Minutes from Downtown Dubai, Nad Al Sheba 1 in Dubai combines location and lifestyle. With Nad Al Sheba Mall, established schools, retail, dining, and medical care, it is already a complete community. A planned canal from Business Bay, upcoming metro and Etihad Rail, and future green spaces make it a smart choice for growth.
