BARARI GATE

by ADE

## Turning spaces into *experiences*

Where modern living meets timeless comfort.

Dubai, a city built on vision and opportunity. A home here represents more than an address. It is an entry into a lifestyle defined by elegance, opportunity and long-term value. From dynamic urban districts to serene waterfronts, the city blends innovation with culture. Each neighborhood tells a story of ambition, refinement and possibility. Choosing a residence here means embracing a future of comfort, achievement, and a quality of life that is truly unmatched.

# Step Into *Refined Living*

Barari Gate introduces a new standard of modern residential living. From the moment you arrive, the design, ambience, and attention to detail convey sophistication and comfort. Set within the family-friendly community of Majan, the property seamlessly combines connectivity, tranquility, and lifestyle, creating a residence that is as inviting as it is inspiring.

# Welcoming *entrance*

## Main Lobby Area

The lobby serves as the building's first welcoming, combining elegance and functionality. Designed with high ceilings, natural light, and premium finishes, it provides a comfortable and inviting space for residents and guests.

*Spaces to connect*

# *Bright* interiors

## Living Rooms

Premium finishes, natural light, and functional layouts ensure each living space feels both stylish and inviting, reflecting the quality found throughout the property.

## Modern *culinary* spaces

### Kitchen

The kitchens are designed with both style and functionality in mind. Equipped with premium finishes, practical layouts, and ample storage, they provide an efficient and elegant space for everyday cooking and entertaining.

*Elegant*  
suites

## Bedrooms

The bedrooms are designed as personal sanctuaries, combining comfort, space, and natural light. Finished with premium materials, they create a restful environment that adapts to the needs of every resident.

# Private scape

## Bedrooms

Layouts vary to suit all unit types, from studios and one-bedroom apartments to two- and three-bedroom homes, to bedrooms where you can enjoy your own private pool.

## Refined everyday *comfort*

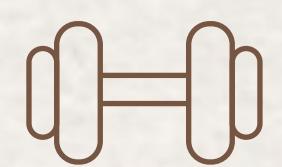

### Bathrooms

The bathrooms are designed to balance practicality with elegance. Finished with quality materials and clean detailing, they offer a calm and functional space for daily routines. Thoughtful layouts, refined fittings, and a neutral palette create a sense of comfort and continuity across all unit types.

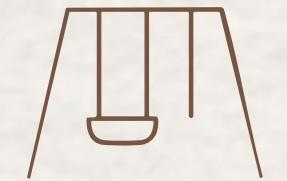

# Spaces designed to *enjoy*

## Indoor & Outdoor Amenities

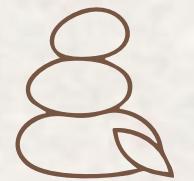

A diverse range of shared spaces has been planned to support movement, relaxation, and social interaction. Both indoor and outdoor amenities are seamlessly integrated into the building, offering residents multiple ways to unwind, stay active, or connect with their surroundings throughout the day.

fitness  
spaces*

No  
Pain  
No  
Gain

## Indoor & Outdoor Gym

The fitness facilities are designed to support an active and balanced routine. With both indoor and outdoor gym spaces, residents can train in a controlled environment or enjoy open-air workouts, for all type of lifestyles. Making fitness an accessible part of everyday life.

*Safe* to play

#### Indoor Kids Play Area

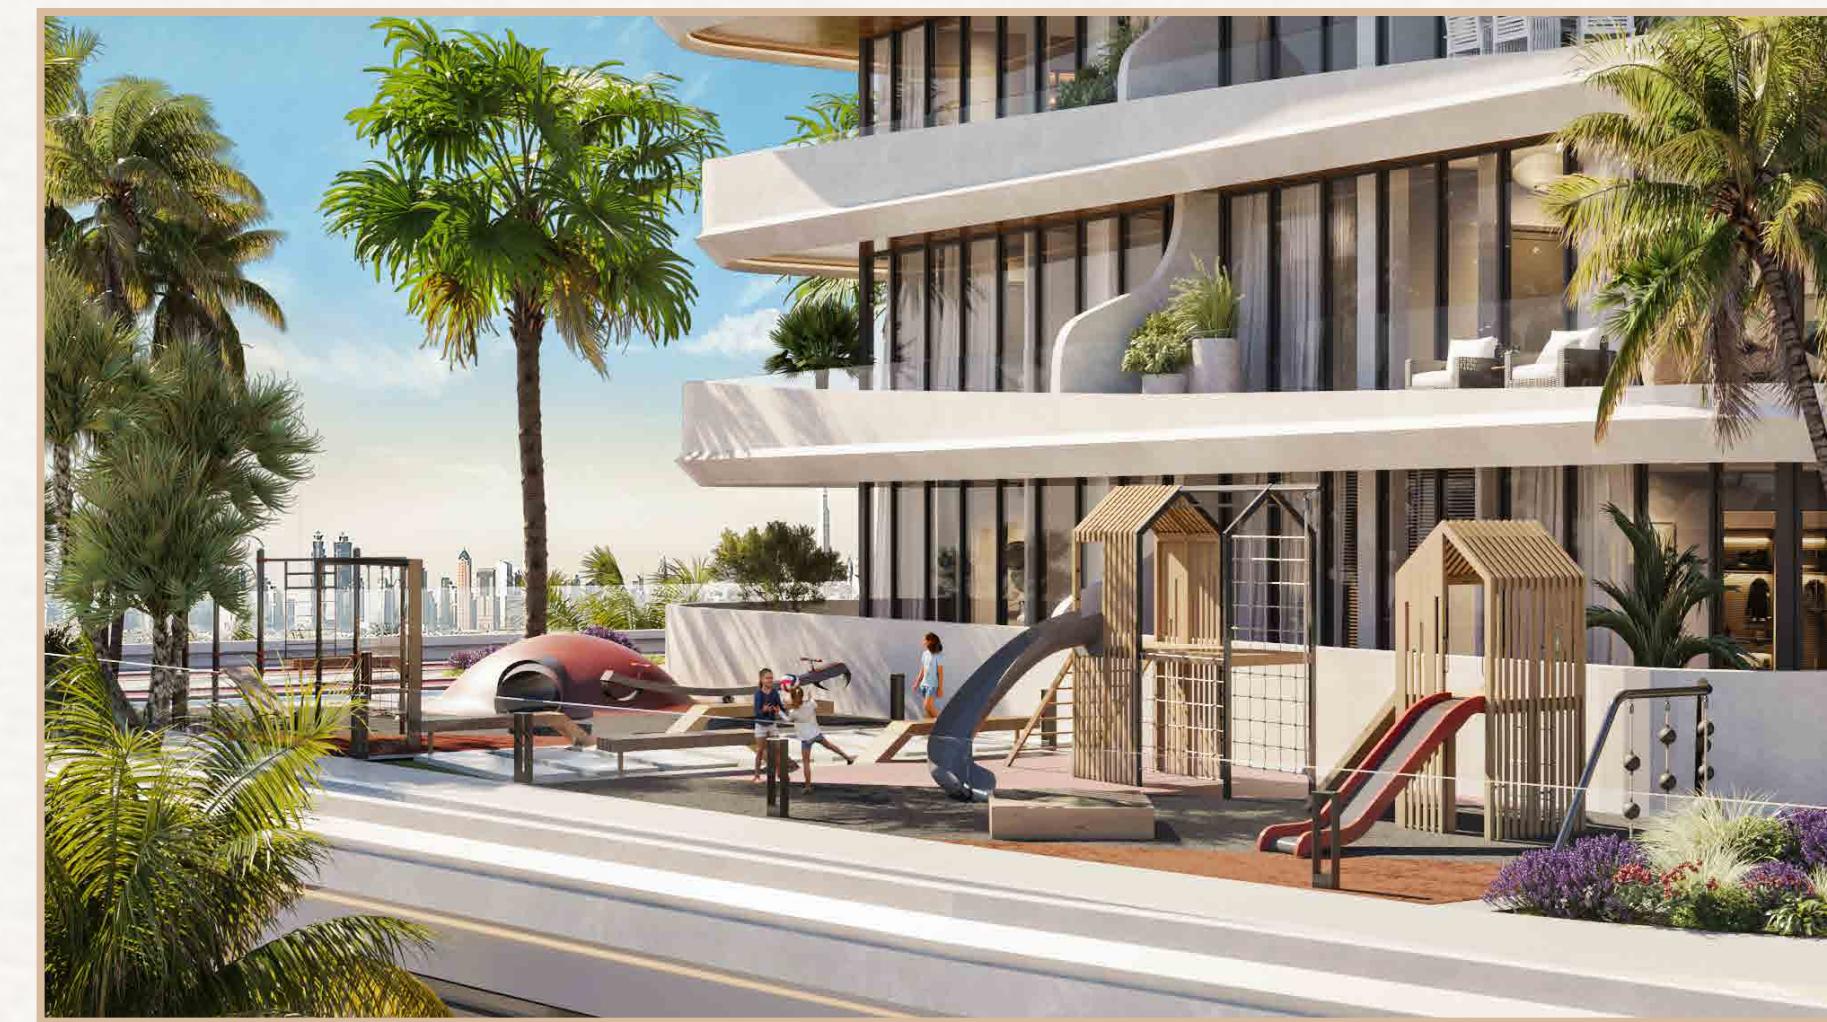

The kids' play areas are planned to support safe and active play. These dedicated areas add everyday convenience for families, creating spaces where children can play freely within the community.

# *Families* in mind

## **Outdoor Kids Play Area**

Set within the community, the outdoor kids' play area offers families a convenient space where children can play freely while enjoying the outdoors.

*Pool  
escape*

# *Serene* outdoor

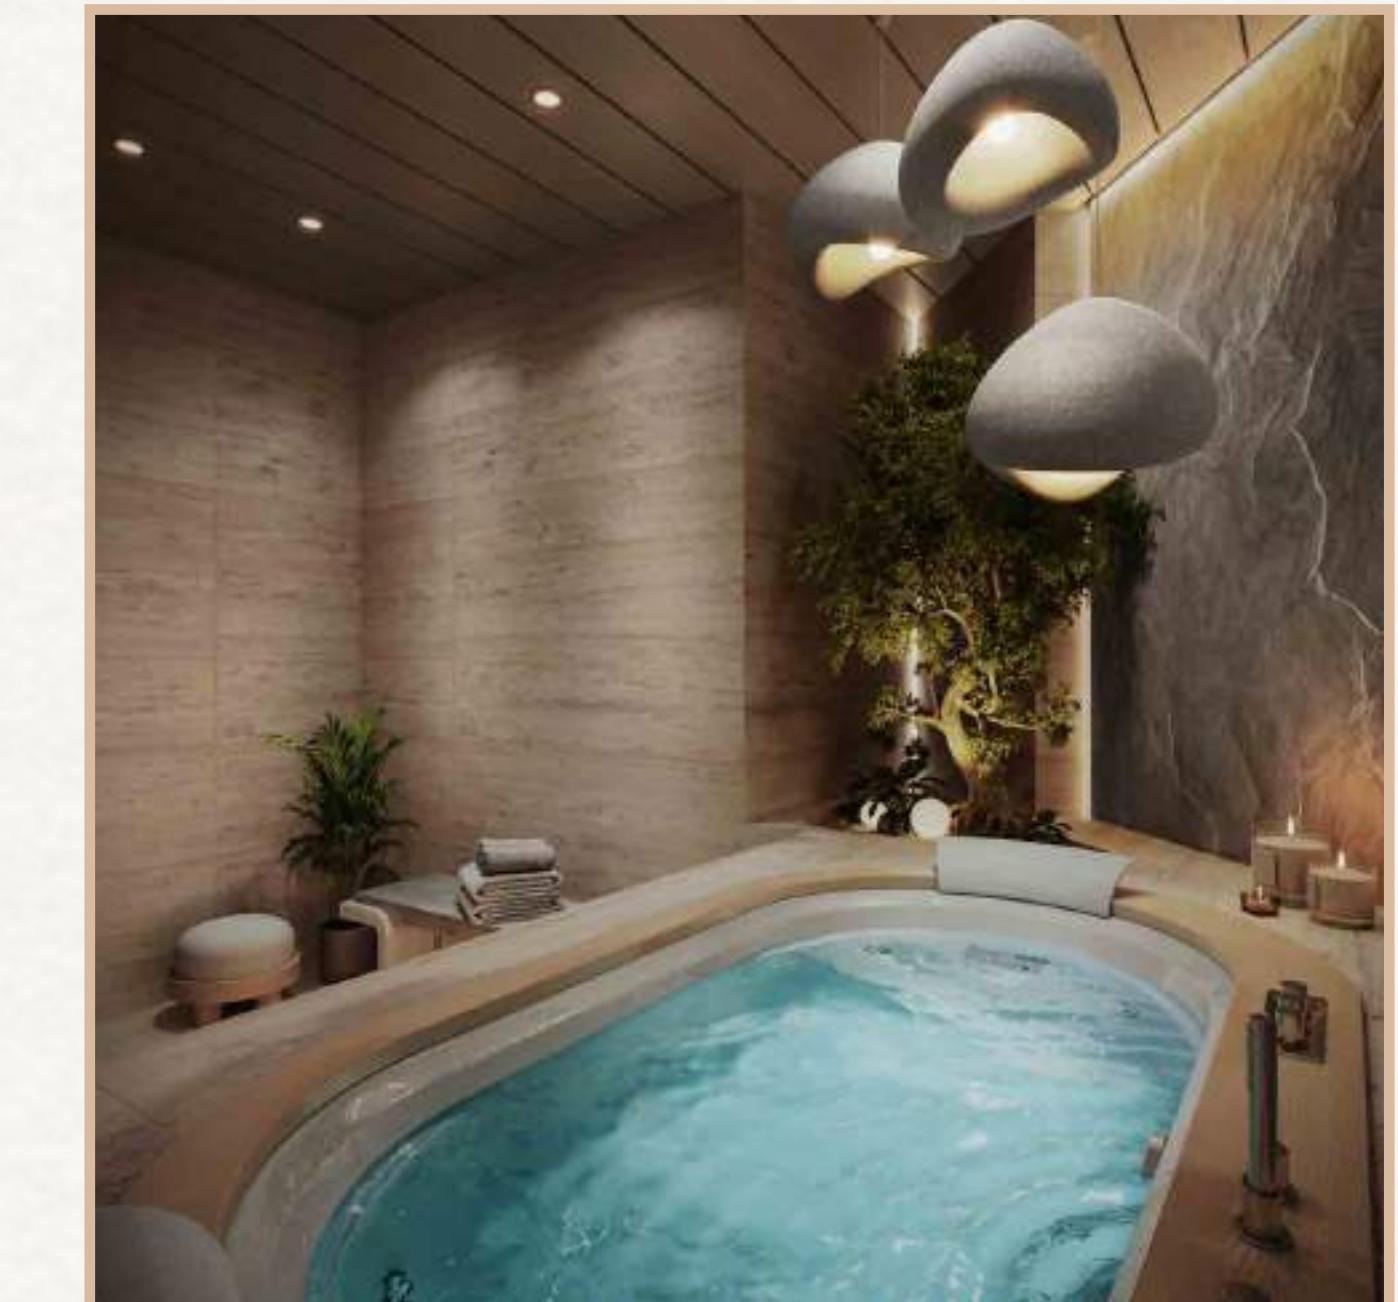

## **Infinity Swimming pool & Kid's Swimming Pool**

Designed with surrounding sunbeds and open views, the infinity pool provides residents with a comfortable environment to enjoy moments of pause throughout the day. As well as a dedicated kid's swimming pool that provides a safe and inviting environment for little ones to play.

# Thermal *retreat*

## **Sauna & Jacuzzi**

Designed for relaxation and recovery, the sauna and jacuzzi offer a quiet retreat that enhances the building's wellness-focused lifestyle.

# Wellness spaces

## **Yoga Area**

Designed for yoga and mindful practice, this serene space encourages residents to slow down, recharge, and focus on balance and well-being.

# Where work *flows*

## Business Center

Designed to support productivity and flexibility, the business areas provide a comfortable setting for focused work and informal meetings. Thoughtfully planned for everyday convenience, these spaces allow residents to balance work and life with ease.

## Spaces to *Connect*

### Billiards & PingPong (Social Space)

A relaxed social setting, this space brings residents together through billiards and table tennis. It encourages interaction, leisure, and shared moments, adding a lively social layer to everyday community living.

Keep it *moving*

#### Bicycle & Jogging track

The jogging and bicycle tracks support an active lifestyle. These dedicated paths encourage daily movement, outdoor exercise, and a connection between fitness and everyday living.

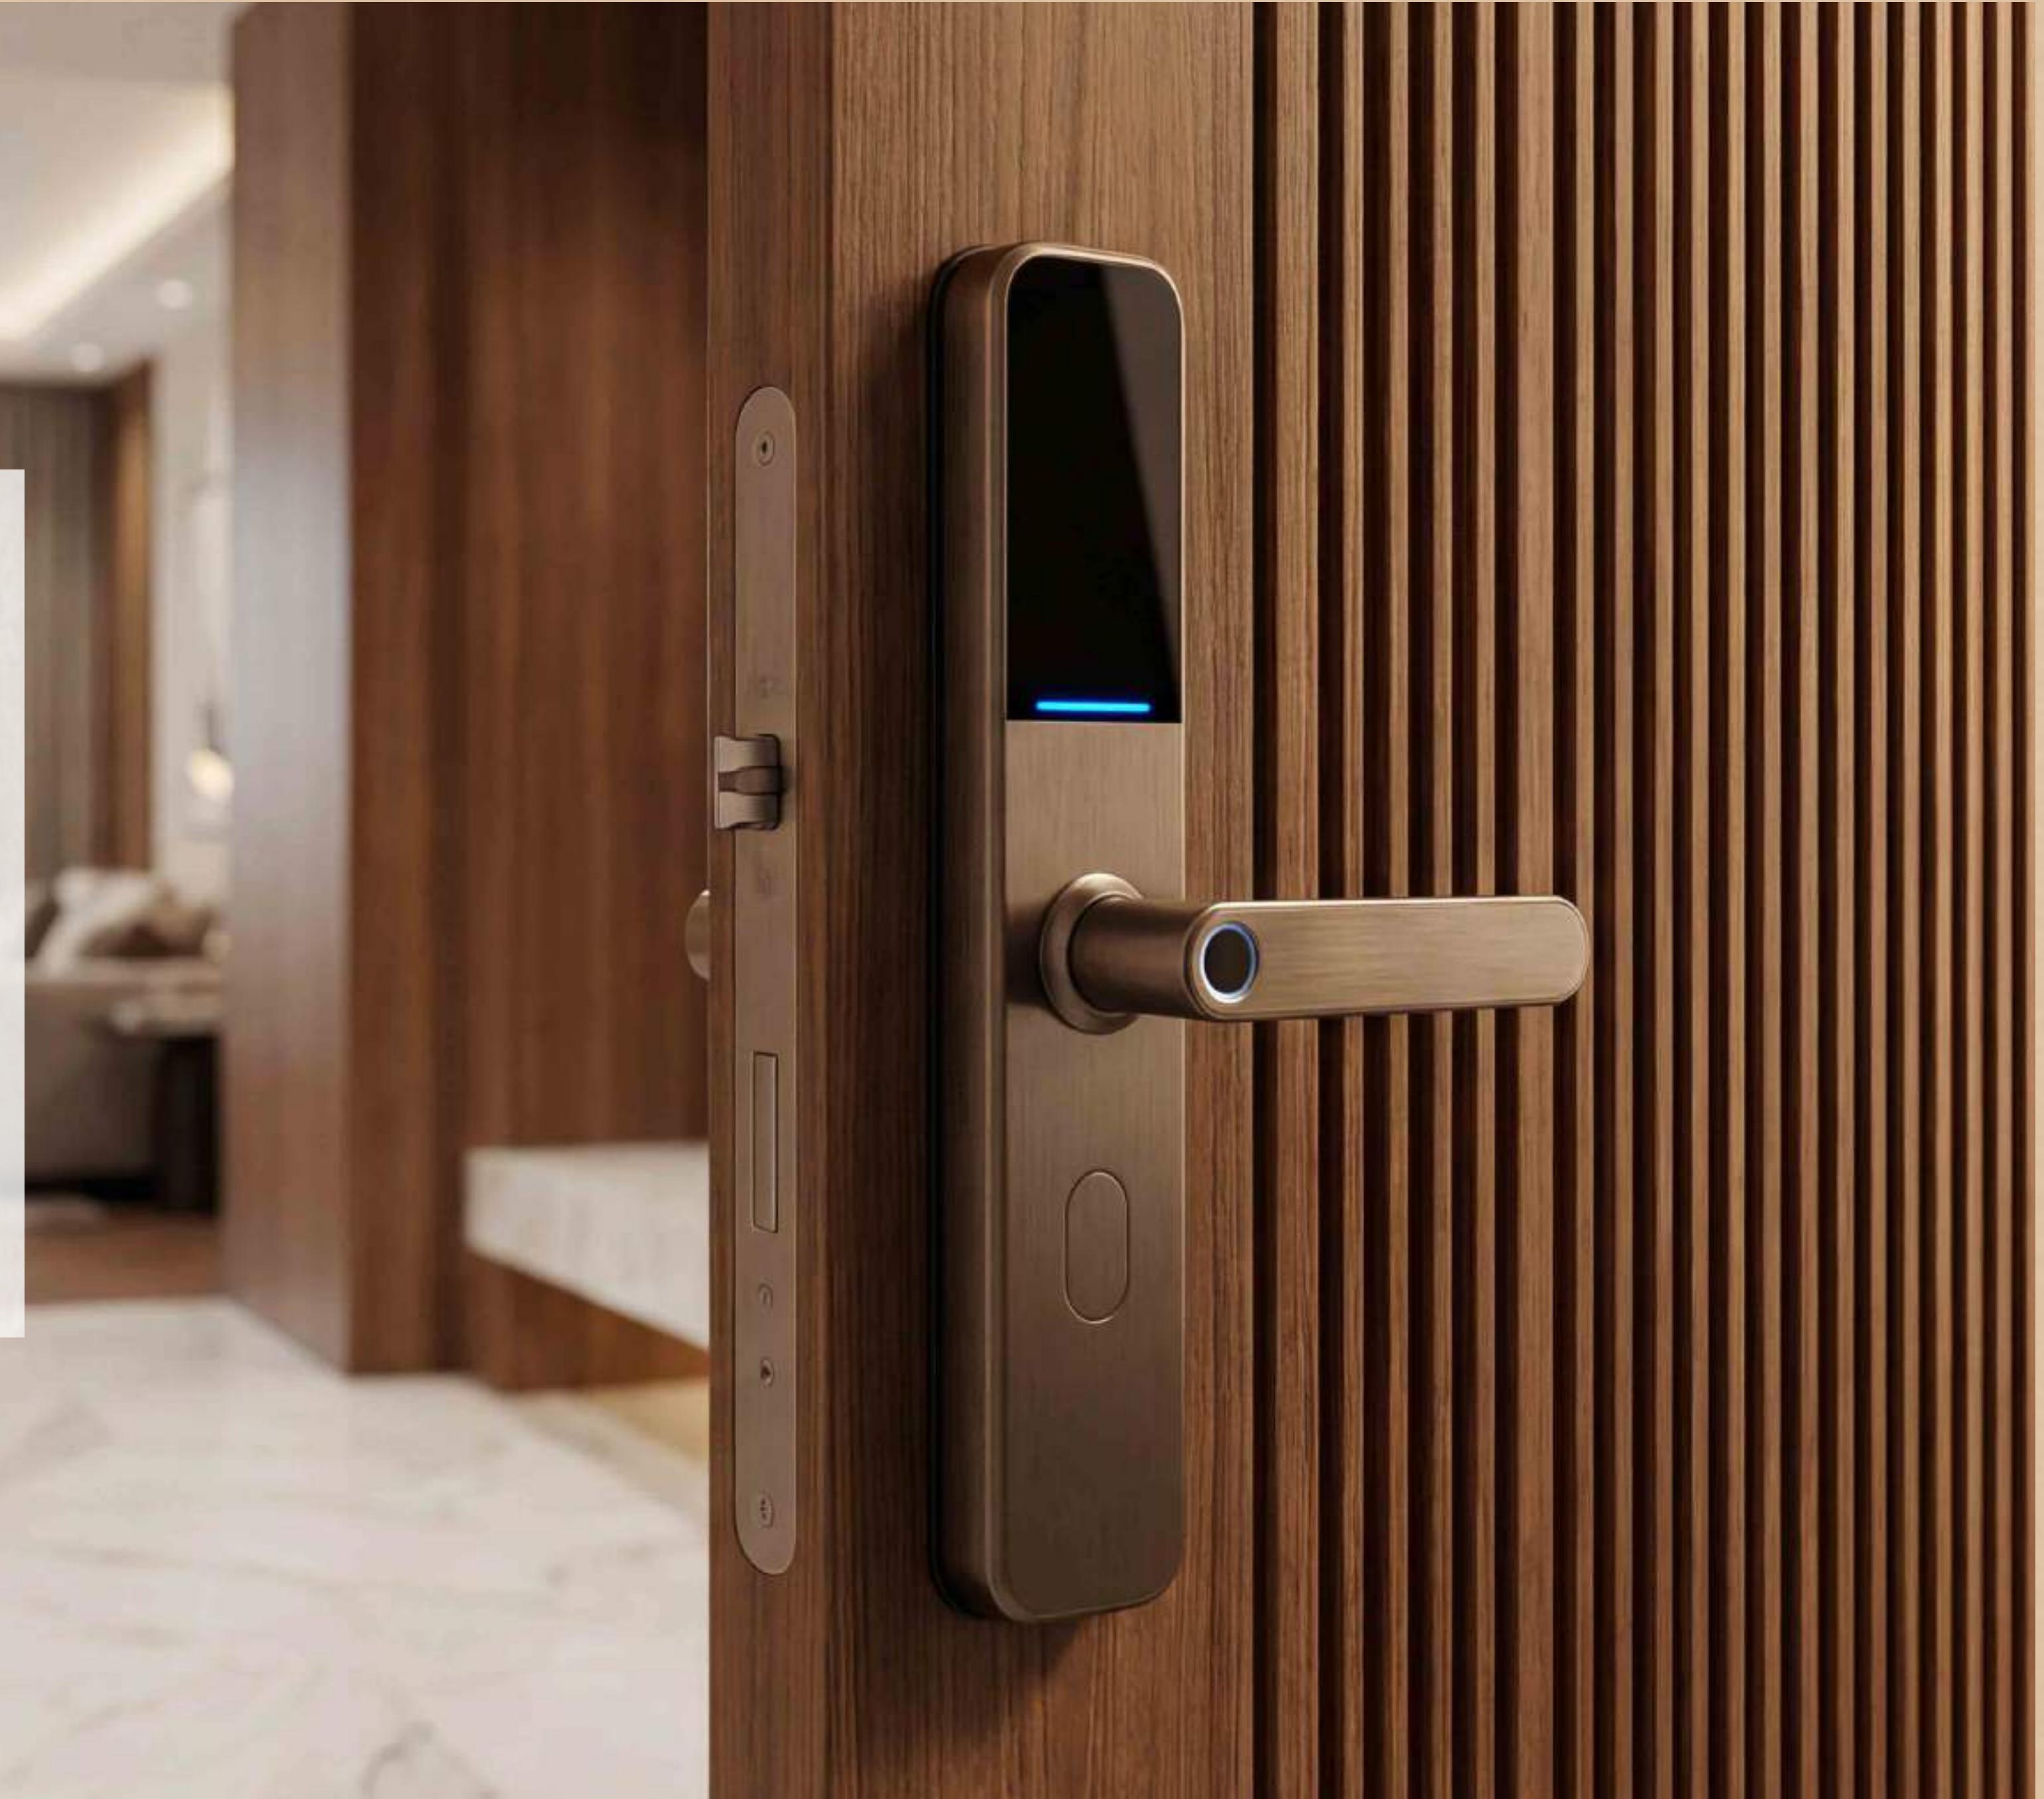

## Purpose built *active* courts

### **Basketball & Padel Court**

The courts are designed to encourage an active, healthy lifestyle. Conveniently integrated within the building, they offer a well-finished space for quick games, training, and everyday movement, supporting balance and wellbeing without leaving home.

## Effortless *Smart Living*

Easily manage lighting, climate, security, and curtains through integrated smart home features. This intuitive system enhances everyday comfort and convenience, allowing residents to enjoy greater control and a more seamless living experience.
