

SEA CLIFF

BY IMTIAZ

IMTIAZ

PULSE OF THE OCEAN

Sea Cliff by Imtiaz feels like a coastline you can live on. The structure rises the way cliffs are shaped over time, in gentle layers of light, sand, and breeze, carrying the warmth of the sun and the quiet rhythm of the tides.

WIND & TIDE

The form of Sea Cliff rises from the very geology that cradles it, layered like coastal strata, shaped by the rhythm of waves, and sculpted by the quiet logic of wind-smoothed cliffs.

AN OCEAN INSPIRED OPUS

WHERE THE LAND OPENS TO THE WATER

A dynamic waterfront community directly connected to the mainland by well-established bridges and roadways.

From this address, coastal calm connects effortlessly to the city, with Dubai International Airport, Downtown Dubai, and Dubai Creek all within convenient reach.

DUBAI ISLANDS

Dubai Islands stands at the centre of Dubai's 2040 Urban Master Plan and D33 Economic Agenda, reflecting a long-term vision for sustainable growth, elevated living, and global connectivity. As part of this evolving coastal destination, Sea Cliff is positioned within a future shaped by thoughtful development, refined lifestyles, and enduring value.

ARCHITECTURE IN TUNE WITH THE COAST

Earth-toned materials and timber-textured soffits lend a tactile warmth, anchoring Sea Cliff in its natural island landscape. Its form steps forward and retreats like carved terraces, allowing the façade to breathe with the passing hours. As light moves, the building seems to move with it, alive to the daily choreography of the sea and sky.

WHERE THE
DAY LEARNS
THE SHADES

The mornings begin with drifting light across the water, a breeze that fills the air, a feeling of life within, and evenings settle into the soft glow of Dubai's skyline, while the shoreline stretches, quiet and unbroken.

A SANCTUARY
SET BETWEEN
WORLDS

Set on the quiet edge of Dubai Islands, Sea Cliff lies between shaded island paths and open water views, where the skyline softens, the sea expands into an endless horizon, and the breeze moves with its own unspoken rhythm.

WHERE
MOMENTS
COME TOGETHER

The poolside becomes a place to connect, where conversations flow with life and laughter. Here, evenings settle into a rhythm of warmth and energy, shaping a lifestyle that is effortless and elegant.

A woman with long, wavy brown hair is seen from the side, looking out of the open top of a classic convertible. She is wearing a light-colored, draped shawl and small, gold hoop earrings. The car's interior is visible, with tan leather seats and a side mirror. The background is a blurred landscape of rolling hills or mountains under a warm, golden sky, suggesting either sunrise or sunset.
