BY TARAF

In tune with life

Imagine waking up in a place that's in sync with the vibrant pulse of the city. A home where you can seize the day – then relax, and let it go.

Every thoughtful element of CELLO by Taraf has been composed with the design details, comfort and stunning spaces you need to be in tune with everything that matters.

The background features a repeating pattern of palm trees in a dark, muted brown color. Overlaid on this is a large, light-colored, semi-transparent swirl that starts from the left and curves around the text. The text is centered and reads "Location & Community" in a white, elegant serif font.

Location & Community

Stay connected to the symphony of the city

Easy access to major roads that include Al Khail Road and Hessa Street makes navigating the city for business or leisure completely effortless.

Stay within easy reach of everything Dubai has to offer, day or night.

*A community that
moves to your beat*

Jumeirah Village Circle is more than a sought-after area. It's a vibrant and well-established destination.

Parks and lush green spaces invite you to experience a connection with nature, while an abundance of retail stores, restaurants, bars and cafés are merely footsteps away, waiting to be discovered.
